AKC PET DISASTER RELIEF TRAILER TO BE DISPLAYED DURING THE SHORELINE DOG FANCIERS SHOW

WHAT: During the Southern California Animal Response Team's (SCART) Animal Evacuation Shelter Training in March, they unveiled an AKC Pet Disaster Relief trailer donated to them by local American Kennel Club dog clubs, dog lovers, and AKC Reunite, the nation's largest non-profit pet identification and recovery service.

The donated trailer will be displayed on **December 9th and 10th during the Shoreline Dog Fanciers Show at OC Fair & Event Center.**

The trailer houses supplies that create a safe, temporary home-base for at least 65 pets immediately after a disaster is declared. Materials can be used as co-location shelters where people evacuate with their pets, or as stand-alone emergency animal shelters for displaced animals.

The purchase of the trailer was made possible by more than \$22,000 in donations and grants from the Woman's Club of Huntington Beach, Shoreline Dog Fanciers Association, and AKC Reunite. The trailer will provide materials to help Southern California prepare for disaster without using taxpayer dollars.
